INSTITUTIONAL ORGANOGRAM

LOCATION AND FACILITIES

We are located in Bombolulu area, opposite Lexo Filling Station along New Malindi-Mombasa Road in Mombasa County. Our compound is serene and classes are spacious with precise facilities like library, computer and sports facilities

EXTRA-CURRICULAR

At Morning Star we encourage our pupils to take part in Co-curricular activities such as Games, Class Debate and Poetry as an integral part in effort to develop and enhance their social standards and attitudes. Scout and Wildlife Clubs have been introduced in the school; allow your child to join the class so as to broaden his/her scope of understanding and discipline.

TOURS/TRIPS

As a means to enhance out-door learning the school always organizes educational tours and trips whereupon it is a consultative approach by both parents and teachers. The trips are essential in view that they help pupils to understand and develop their study skills.

FEEDING PROGRAMME

The school runs a feeding programme though with difficulties. The programme has proved to be essential in maintaining pupils in school. Most of our pupils are from poor families and as such food at school keeps them coming daily as opposed to when there was none. The programme has also seen children improve in health thereby increased concentration in class and reduced absenteeism.

CURRICULUM

We are an accomplished school offering secular 8-4-4 curriculum from class 1-8 as well as CBC 2-6-3-3-3 curriculum from Daycare to Pre-primary 2 and Grade 1-4. We also offer Religious Education, both Islamic Religious and Christian Religious.

CLOSING REMARKS

Morning Star Children Centre & School is a growing school where we have higher expectation in future. We appreciate and highly thank our entire workforce of dedicated and professional personnel including adequate trained teachers approved the Ministry of Education. Thank you all and God bless us all.
